My brother in the afterlife.i just found out on a fluke yesterday on 8/30/22 that you had transcended and it now explains a lot and gives clarity.Not sure how this spirit world works but if you by chance you are periodically allowed to come back and check things out with those of us still here this is just to let you know i always had nothing but love and respect for you and your family and may your spirit continue to live on..always your brother David T.
