*Hello Joe, You probably don't remember me, my name is Debbie Seisay, I use to work for your father years ago. Just yesterday I was thinking of him*

*and I decided to google him on "free people search." and unfortunately found out that he had passed. Remembering we would watch Nigerian movies, and at times he'd ask me to stop by the local store to buy his favorite banana pound cakes. He was always grateful for those who assist him. Hope you and your mother are hanging in there. You have my deepest condolences for your father. I know he would want nothing more than you both to take care of yourselves.*
