“ Mrs.Frazier's loving spirit and tenacious personality has forever transcended throughout the generations; she has touched me in a way that I will forever remember. I love her for telling me the truth, even when I didn't want to hear it. She was truly an exemplary woman who was a true example of how to love God, yourself and everybody else too. You wouldn't think she would be able to relate to a teenager musically, at all. However, this precious gem of a woman opened my mind and my heart to music that I still love today. Many times in my life I've been able to call on her and she has never let me down. I truly thank God for blessings me with her presence, she will be missed dearly. The only comfort I can gather is due to her place in heaven, looking down, over you and me.
