“ *Sending prayers, strength, encouragement and love to the family of Bertha Lue Byes aka Nana as I affectionately referred to her. She was not a just a pillar of strength for her family whom she loved and adored but to anyone who crossed her path. Nana was full of life, love, laughter and wisdom. She loved to travel and I loved to hear the stories of her many adventures.*

I resided for a couple of years on her property and she always treated me with nothing but love and respect. She would often poke fun at me and tell me she could smell me cooking and was going to break in and we would laugh.

Nana you will certainly be missed but I am so happy that I was able to cross paths with you in this lifetime, such a beautiful God fearing woman and exemplary human being.

*With love and respect.
