“ My Brother had a huge heart and a loving soul i miss my brother with all my heart he was my only brother my younger brother he would laugh and joke and whenever you spent time with him he made sure you would enjoy your time with him. Calvin you had a beautiful soul I know you have your wings and now you can spend eternity with mom daddy and your son niece and nephew again. I love you brother rest in heaven BooBoo 12/09/1971-04/09/2025
