“ I kept in contact with David Allen Jr because of his dad, which was my dearest uncle lutennent David Allen senior who served 117 combat missions over papa's new guienni in 1942. I'm not sure why cousin David never told me he was sick, and I spoke with him the year before he passed. I have fond memories of uncle David building military vehicles in his garage in Soledad, and the quanzit hut is still just across the street from the school, I was just there last weekend. Does anyone know who owns this property now?? It would be a disgrace to uncle David for it to be torn down, he took it from fort ord army base and priced it together in Soledad where it still stands today

“ I want to say how sorry I am for the loss of your husband, father, and brother. I was just at my high school reunion, the reunion I always went to with my dear friend Janet and was shocked to hear of Davids passing. As busy as he was when I came back for the 50th reunion, he still stopped by the reunion to say hello.. David was the best kind of human being ever. He was honest and kind and giving and loving. When Janet was so sick, he took care of her every need ,every day with so much love, patience and gentleness, those two had a very special bond. I literally grew up with them and spent so much time just talking in their kitchen where the whole world seemed to gather. Everyone was welcomed at the Baker household, anyone that didn't have a home could make that theirs. Well, all I can say to you David, is you will be missed and please say hello to Janet for me.
Much love, Trisha Brauer, Howard
