

Donna Lynn Currier

November 16, 1968 - August 15, 2012

Donna Lynn Currier was born November 16, 1968, in Oakland, California. She was born from the union of Jim Currier and Lynn Hulse. She had an older brother, William Edward Currier, who preceded her in death. Her half sister Jennifer Lee Sanders lives in Oregon.

Donna graduated from Peoples High in Vallejo, California. She attended Laney College for a short period of time. Her common-law husband, Eric Simmons was her companion since high school and two children were born, Michael and Beck Simmons.

Donna enjoyed her children. She loved to party. Her favorite music artist was Rick James. She worked at the Goodwill for ten years and loved her co-workers and longstanding customers. Her dog Verniece was her everything. Her hobby was collecting cameos and jewelry.

Donna did not have one bad bone in her body. She loved the truth, she kept it real and no matter what. She would always stop to listen and give her advise and be willing to do whatever she could to help. She was a provider for her family at a very young age. She was very independent and hardworking.
