“ Mrs. Gatlin was a beloved member of the South Berkeley Senior Center. When she greeted you, she would say "Hi Baby." She had a special way of saying baby and it made you feel like you were the most important person in the world. She loved coming to Bingo on Thursdays, going on fieldtrips when her health permitted and attending the special events-holiday and birthday dance parties. She is going to truly be missed and we are so thankful for the precious memories of her that we hold dear. May God bless and keep you. Karen
