

## Elliott Emmanuel Bailey Jr

May 31, 1985 - May 9, 2014

The Lord blessed us with Elliott Emmanuel Bailey Jr. on May 31st, 1985 to Paula Williams and Elliott Bailey Sr.

Elliott had a zest for life since birth and enjoyed being the “Big Brother” as he was the oldest. At a young age Elliott formed a bond with his childhood friends and they were unstoppable together. With a smile on his face he’d make you smile and often threaten to bring out the toe to make you smile.

Toe was his more adventurous twin being a Gemini through and through. Elliott often went by Toe that evolved from Ellieotie to ToeToe to Toe to Toeski. Either way you were in for a treat.

One of Elliott’s proudest moments were accomplishments was graduating from San De’Anza High School in 2003. He wanted to be a first grade teacher and make a differ in other lives. He loved to read and continue to expand on his knowledgeable including reading the dictionary to perfect his passion for music.

In 2006 Elliott along with his brother Burger went to Idaho to rekindle a relationship w/ his father. During his time in Idaho he formed lifelong bonds with numerous people. He inspired and changed Boise forever. He was blessed on July 15, 2007 with his sonny boy Ellion Tramontane Bailey to a wonderful woman Trenise Cross.

Elliott grew very close to the cross family especially her father. Elliott was a very dynamic old soul who loved to love. Depending on if you knew Elliott or Toe is what you would get. Elliott was a gentle soul who wanted nothing more

than being able to provide for his family. Not just his son or siblings but anyone close to him. He had a heart so big he was capable of sharing his love with anyone he came in contact with. He had a magic Toe dust to make you smile regardless of his behavior. In turn Elliott was able to spread his love through the world. He had the biggest and brightest smile that matched his large personality.

He truly was the life of the party and made sure his entire family reap any rewards that came his way. Anyone lucky enough to have met Elliott will be forever touched by his incredible ability to love when you have nothing else. His last year of his life he was able to meet his long distance family for the first time and have amazing adventure with his brother, Travontae who will now explore Heaven together in passing.

He is preceded in death by his Grandfather; Charlie Moe Williams, Grandmother: Ethel Mae Jackson, His lifelong brothers, Tyrell" Burger' Smith and tramontane "TaeTae" Calloway.
