

## Emmarine Ware

December 1, 1940 - January 30, 2016

Emmarine was born December 1, 1940, in Marlin, Texas, to David and Delores Bradley. She was the seventh child of 14.

She graduated from Booker T. Washington High School in 1958. When she was 17, she moved to Sacramento and started working at McClellan Air Force Base. She bought her first home at the age of 19. Little did she know that she was moving down the street from her future husband, William Ronald "Ronnie" Ware.

After starting her family in Sacramento, Emmarine and Ronnie decided to move to the Bay Area in 1967. They landed in Berkeley, California, where she spent the rest of her life.

Emmarine went back to school, as an adult, and earned her accounting degree from Golden Gate University.

Emmarine worked as an accountant at Del Monte, until she retired in 1994. Because retirement life didn't suit her, she took on a part-time job working for Jelly Belly. Emmarine also served as the treasurer for BFIC, her family's investment club, until her passing.

She leaves to mourn her husband Ronnie; her two children, Michael and Teri; her grandchildren, Sophia and Elijah; her brothers and sisters, Devora, Erma,

Phyllis, Elgin, Marie, David Earl, Diane, Bertram, numerous nieces and nephews, cousins, in-laws and life-long friends she has met throughout her life, including you.

Embracing Emmarine with open arms in Heaven are her parents, David and Delores, Ella Mae, John, Howard, Edward and Vera; her brothers-in-law, Rickey Swift and Harold "Randy" Randolph, her aunt Luella "Auntie" Hubbard, her nephew Larry Bradley and her cousin, Ernest McDaniel as well as other relatives and friends.

“ *Emmarine, I will miss our chats via e-mail and your thoughtfulness of e-cards for any occasion. I am happy that we re-connected after so many years. It hurts that I did not see you last October when you were home. I am happy to know that you enjoyed the trip to Marlin and discovered places that you did not know existed..*

*RIP

“ *To Ronnie and Family of Emmarine,  
I feel a deep loss with the passing of Emmarine. Ronnie is my oldest friendship, and perhaps the greatest benefit of my friendship with Ronnie was my association with Emmarine. I have never known a more steady, competent, and level headed person than Emmarine. By example, she taught me to look for the good in people, but not to be fooled by what people said, verses what they do.*

*I will surely miss her video cards an Thanksgiving and Christmas,I will miss dinners on her deck, I will miss sharing the theater with her, I will miss our lively political discussions, and most of all I will miss her beautiful smile. You did good Emmarine, rest in peace knowing you will continue to be loved by many.*

“ It is with sadness that we learned of the passing of Emmarine. She is one that always had a pleasant smile on her face. We all attended school in Marlin, Texas. Our hearts are also sad to know that another one of our school friends' voice is now silent. We pray that God will give the family the needed strength to face the days, weeks and months to come. May God ever bless and keep each of you in His care.

“ I met Emmarine while working at Del Monte. She became not only my Friend but my mentor when I needed her. I will always have fond memories of her smile and infectious laugh whenever we were able to see each other. Her conversations always expressed so much love for Teri, Michael, and grandchildren Sophia and Elijah. We gossiped, spoke of our loved ones, shared pictures, and caught up on each other's lives. I will truly miss seeing and spending time with her. My deepest sympathy to her family and friends and may you all seek comfort in your memories of such a wonderful and beautiful Lady.
