“ *Man, I don't know what to say. We met via Zoom during the pandemic and we hit it off. We would talk and text a couple times a month. I just shared a quote he used to say at a bible study the week of Father's Day a few days after we texted...."Say connected so you don't get infected by the unexpected". I will miss you brother and regret I never got to shake you hand, give you a brotherly hug and chop it up in person. Rest in the Lord. Teddy "Tas"*
