“ Florent Michel, mon frere et ami, I will miss you so much, and that laugh on that picture. i am so hurt and broken thinking about the fact that i will never see you again or hear your voice teasing me " nyango comment tu vas?" I will never forget you, our times at Mambo restaurant or your little restaurant on san pablo or even the one in san francisco, where we would talk and talk during closing times about cameroon, the bay, we always have some "divers" from childhood, and we would have fun and laugh at wholefoods some evenings and chat about life back home...i remember telling you to take care of yourself in 2012 when i was moving back home, i told you i do not want to be somewhere and they tell me you had died, you promised then. And now you left. I will forever miss you my brother and very dear friend.
