“ We only saw Gayle once on our visit to California in the early 1990's. She was a gracious host and a wonderful person. We saw her again in Columbus, GA on Avel's BD. But she was suffering even then. So it is best for her that she is now at rest. I went here to see if there was any more info about Gayle, but none is posted. So I have this to add. It's all I know and was given to me by someone else.

*Gayle grew up in Rhinebeck NY*

*She has 1 sister and 3 brothers*

*1 brother has preceded her in death*

*Her sister lives in L A. And brothers in NY*

*She had a masters degree in library science. And owned a little book store at one time.*

*Her parents preceded her in death a long time ago.*
