“ Although it is difficult today to see beyond the sorrow of missing you so suddenly, we hold on to our memories of times we shared to bring comfort and peace to our hearts tomorrow. We are thankful for God's purpose in our lives: Life is but a stopping place, A pause in what's to be, A resting place along the road ,to sweet eternity. We all have different journeys. Different paths along the way, We all were meant to learn some things, but never meant to stay...Our destination is a place far greater than we know. For some the journey's quicker, For some the journey's slow .And when the journey finally ends, We'll claim a great reward ,And find an everlasting peace, Together with the lord

Love You Genghis, Cousin Joe and Barbara
