“ *GL and I were fraternity brothers and guitar players together at Harvard. He drove me to the dock in San Francisco the night I left for Vietnam...December 31, 1964. I am sorry to read of his last days, but have fine memories of a friend. I assume you can see my gmail address...if so I would enjoy a little farewell exchange with a loved one. Jim Guy Tucker*

*Jim, feel free to email me at khiltt_options@hotmail.com
Gentry and I were in constant contact for the last 10 years of his life. I believe you staying in our SF apartment when you came back from Vietnam in 66.*
