*My Uncle Genie will be missed. A man who loved God, family and served his country. Yes he was not a man with many words but when he spoke, he had much to say. Living 92 years afforded him to see and experience the good, bad and ugly in humanity. But despite it all, he was indeed a man of great integrity, knowledge and the most giving man. All of heaven now rejoices to have one of God's precious children come home. We miss you Uncle Genie! Until we meet again in heaven. 🍷🕊️*

“ I can remember when I met Uncle Ham for the first time he was in the kitchen cooking! The food was smelling so good. Uncle I said you have smelling good up in here. He smiled and said come back for dinner. I remember his smile! Aunt Willimea and Janice often spoke of Uncle Ham with so much love that it made you love him before you met him. We will miss your visits Uncle but we know that your never far from our hearts. RIP Uncle you will be missed!

“ My Uncle was a quiet, dignified man. He didn't say too much - but you knew he was in the room. I thank GOD that he was family. We will miss his presence but take comfort in knowing he loved the Lord and is now with HIM! Thanks Uncle for being a part of our lives and thanks for such pleasant memories of you.
