Carrie Coleman, please email me. My mother and Herman were extremely close but sadly lost touch. I was trying to find him again and this is sadly what I've found out. Herman was a huge part of my childhood and adulthood. I am in shock. Please email me at amandaa16325@gmail.com.

“ *I am sorry to hear about the loss of a great friend from my school days. I considered Herman to be a best friend and a strong scholar. We lost contact as adults until recent years when we reconnected at an all Trinity High School reunion weekend. I wish the best for his family and friends during this time of grief. There is a tomorrow, and in time we will share fond memories.*

“ I met Herman many years ago while working at MetroOne in Alameda, and we became fast friends. Herman was one of the most intelligent, kind, caring people I've ever met. He had a sense of humor that was out of this world - kept you laughing! He was just a good guy - a great person. There is a hole in my heart right now from this terrible loss, but I know that to be absent from the body, is to be present with the Lord, as I'm certain that's where he is. Rest In Heaven, my dear friend. You are missed already. <3
