“ *Friends of Jim are so sad. We are in Berkeley. We have known him many years and have been worried and searching since we stopped hearing from him in June. We know how ill he has been. Mark Smith lives in Jim's building. We are reaching out to his sister up north and daughter back East. My cell number is 510-992-1822. I can give you Mark's number. Please call. How can we reach you? Since we are nearby, maybe we can talk to you and share thoughts and memories.*
