# Tribute Wall

“ I want you to know that even though we fought and disagreed with many things... I loved you and I still do. Not every moment was horrible. I thought about you daily even when you were alive. You were my best friend. It's bittersweet that my feelings are on a wall in your memory. I am numb to the touch and I hope to see you in the next lifetime. Hopefully we can pick up where we left off and support each other just like I thought we would years from now.
