

Maurice William Grangent Jr

April 2, 1972 - May 11, 2018

Maurice William Grangent, Jr. was born April 2, 1972 in St. Louis, MO, the only child to Anita and Maurice, Sr. At the age of 3 years old, his family moved to Flint, Michigan where he grew up with a host of cousins and friends. In Flint, Maurice was active in church as an usher and choir member.

Maurice was intelligent and excelled in school. He graduated from Northwestern High School class of 1990 with a scholarship. Maurice was accepted into a number of colleges after graduating but decided on Clark Atlanta University and headed to Atlanta, Georgia in pursuit of a Bachelor's Degree in Political Science.

Three years into his studies he met a young woman named Sungee from California and they became good friends and later married in 2005. On August 24, 2006 Maurice was blessed with a healthy son, named after him. Maurice was a proud father and worked hard at Comcast to provide for his family.

When "Lil" Maurice turned 3 years old, the Grangent family moved to California. An avid basketball fan, Big Maurice quickly enjoyed becoming a Golden State Warriors fan and attending games. He was employed at San Leandro Hospital as a Registration Clerk.

Searching for a greater purpose, Maurice joined the Masons. He took pride in the Masonic Brotherhood and looked forward to becoming more involved in his community.

Maurice is survived by wife Sungee Grangent, mother Anita Reed, father Maurice William Grangent Sr, son Maurice William Grangent III, grandmother

Christine Henderson, and a host of family, friends, and coworkers. He will be missed.
