

Michael Mueron Greer

June 13, 1976 - April 29, 2016

Michael Mueron Greer “Mechanic Mike”, 39, passed away on April 29, 2016, riding his 2003 Harley that he was very proud of. He was a son, brother, husband, and father to 5 amazing children.

Born in Berkeley, Mike was the son of Maxine Johnson and Michael D. Greer. Mike grew up in Berkeley, and at age 13 his brother Marc Robinson was born. He attended St. Joseph’s Elementary School in Berkeley, St. Joseph Notra Dame in Alameda, and Berkeley High School where he graduated the year of 1994. Mike was very enthusiastic about cars and became a Mechanic to all his family and associates. After high school, he attended Sequoia mechanic school in Fremont, CA. Mike’s profession was a Mechanic, but most importantly he was a father to his children. Mike also worked as an architect, home designer, and construction for his grandfather, Louis Greer. By the time Mike turned 21, he owned his own mechanic shop where he genuinely enjoyed working on cars and motorcycles. As Mike got older he closed his mechanic shop on 26th Street in Oakland, he limited his work to his friends, family, associates, and most importantly his mother. This way Mike had more time to spend with his children and make his own money. Maxine asked Mike one day, after the third kid, “why doesn’t he have back to work doing fiber optics,” Mike responded by saying that why should he work all day for \$150, when he could do a brake job and make that in 30 minutes.

Mike enjoyed learning more about the political issues of the world, while teaching others. Mike also enjoyed helping others out, and most importantly,

cruising around in his old school cars. Mike will be remembered for his intelligence, passion, love, humor, strength, his impactful presence and infectious smile.

In his early years of life he lived in Berkeley, Ca with Jessica Russell. Mike and Jessica Russell gave birth to 2 beautiful twins, a boy and girl. Marcos Ray Greer (16) and Michael Rosa Lee Greer (16). Mike was an outstanding father to his twins, and step daughter Keila Russell (26). Some years later, they gave birth to another boy named Keidan Jesse Greer (6).

Later on in life he and his wife Elisa Taaau lived in Hayward, CA where they gave birth to their first son, Miko Maximillian Greer (7) . They then continued their life in Vallejo, CA where they gave birth to their 2nd daughter, Marley Lorraine Greer (1). Mike continued to be an outstanding husband and father. Mike proceeds in death to his father Michael David Greer and his grandmother Rosa Lee Phill who loved him dearly.

Michael will be truly missed. His life and legacy will be carried on by his children, their mothers, his mother, his brother, and the rest of his family. Mike will also be known for his passion, brilliance, happiness, protection, and his sociable personality.

Its hard to grasp that you're really physically gone, but never from our hearts. I have the younger age memories of you and I running up and down those stairs at grandmas house on san Pablo. Catching bugs in mason jars and catching the bus to the bowling alley when we weren't supposed to. You will truly be missed. I love you cousin. Rest easy.

*Love Always,
Monique (Nicki)*

“ Mike,
I cant believe you are gone. We been good friends since 98 and I know you knew how much I loved you and I always will. I will never forget you. This is very hard and I remember us talking earlier this year and you saying how excited you were to be 40! I found out of your passing on Saturday 10/29 six months to the day of your passing and I know you were trying to tell me. Missing your service is eating me up inside but knowing that we never once took our friendship for-granted helps. Rest well my friend. I would give anything to change you being gone. Your babies need you. You were a great man and father. Love you always, your friend Nicoya G.
