“ Sweet Nika. You were my best friend in middle school. My birthday twin! We wore matching dresses and saw Titanic in the movie theater together for our 13th birthday. I could always confide in you and trust you. I missed you when you left Berkeley high and I always think about you and google your name once or twice a year, which is how I found out you passed away. I just stumbled upon this right now. I'm sorry for what life threw your way. I love you friend. Forever and ever. I won't forget you. Rest peacefully, love!
