“ *Oscar was a mensch. We found out we were cousins some years ago. We shared many wonderful times together at his home and Shabbat dinner at ours. May he rest in peace and may his family be comforted among all the mourners of Zion and Jerusalem.*

“ My dear Oscar,
We have been friends for many, many years.
I still remember when Michael and Emily were young and you came to my house to pick up my children and took all of them to have fun. Every weekend was a new adventure.
Your advice was always the best and you have been with us in all the years of our suffering. I'm very sorry that I could not do anything for you in your suffering.
I'll remember you the rest of my life with love and a smile in my face because I'm very proud and happy to have known you.
Rest In Peace.

“ Since he became a neighbor I came to be involved in his regular endeavors. Grateful to witness the dedication Oscar applied to merge his Chilean roots with a demanding U.S. medical career..He was able to work over forty years, not for himself, but for his loves and those who survive him.

He indulged in documentary film making. He created a beautiful garden complete with lush vegetation, waterfalls, fish ponds, bridge, and tropical sounds. Besides world travels, he enjoyed the scenic coast, frequenting Carmel and Big Sur areas when he could.

Such a rich personality – a larger than life figure. He loved the fine things in life. He'll be missed by all his buddies down at the French Hotel in Berkeley. My deepest condolences to his family, both immediate and extended, both in Chile and in the Bay Area.

“ Emily and Michael: Oscar was always so very very proud of both of you. Becoming a grandfather! He could not stop proudly talking about his granddaughter, and daughter in law. He and you both will be in our hearts (Camilo, Anatoli and Amadis) for ever. Hope to see you soon!....

“ Emily and Michael: It is so so very sad. Oscar was such a dear friend for so many years, when you were both 6 or 7?? So special, always giving and sharing that incredible personality full of ideas and creativity.
