

Patricia Ann Brown

January 10, 1948 - September 10, 2022

Mrs. Patricia Ann Brown, chosen Child of God, was born January 10, 1948, in Oakland, California to parents Floyd Pernell Hicks, Sr., and Gertha Lee Hicks, they, along with her daughter Veronica Daniels, are all accompanying angels who preceded her in ascension.

Patricia's childhood was spent in Oakland, Fresno and Berkeley, California; as a child, she loved to play jacks, skate and to frolic with her siblings and cousins. In the 70s she met the love of her life, William Edward Brown, Sr. and was promoted to loving wife. She is also a mother of four, grandmother of 15, great-grandmother of 10, cousin, teacher, confidant, mentor, and sister.

Patricia worked as a Medical Administrator for over 55 years in some of our nation's leading hospitals including Kaiser Permanente and Sutter Health where she retired in 2016. "Trisha" as many called her, had great attention to detail and loved working with her hands to curate beautiful handmade works of art everything from custom jewelry, tumblers, glam office equipment to macrame. She was also quite the plant enthusiast, nurturing some of the most breathtaking plants for years, like her signature Coleus, Golden Pothos, and Yellow Orchid that blooms every year. Trisha had a beautiful singing voice and played the flute.

Patricia was extremely intelligent and well versed in many areas. She also had a great sense of humor and was undoubtedly and unapologetically fierce. Most of us called her "The Walking Dictionary." Trisha was an advent reader, ever evolving, learning, and daring to live life out loud with passion and

humility. A woman of strong faith, Patricia, was a staunch defender of her loved ones. Trisha loved hard and with her all, if she loved you, you truly knew it.

Having overcome much adversity in her life, Trisha eagerly took on every challenge, rising above with light, love, and wisdom. Diligently pursuing one of God's most important requests, "Love others as you love yourself" this, she did until her ultimate promotion. In her promotion, take solace and find peace in knowing that we, who she taught, loved, and fought for have received an angel to watch over us eternally. Rejoice. Selah!

Patricia Ann Brown now resides over those of us chosen to follow her lead in the betterment of self and others in the pursuit of peace, love, and happiness.
