“ I was Robert Mudd's neighbour and played football with him and practiced our goal-kicing in the Lincoln High football stadium in Stockton. After he had his football accident in 1971, I did not know how to approach him and I was so rude as to never speak with him again in my akwardness. As I reflected upon this over the years after i left Stockton, I always felt terribly about my lack of communication with him. I did leave Stockton permanently five years after his accident and always thought I should reach out to him on my brief return trips to Stockton, but I did not know where he lived. I am thinking of you and with you now, Rob. . . . William J. Dominik

“ My name is Michael McElvane, I met Robert when was 14 and he was 21. I became his attendant because I was old looking for my age. We became the best of friends. Me, Dave Kovalenko, and Rob would got to these Berkeley parties back in the day. From the 80's into the 90's. I gonna miss our long conversations about old memories. Fun times. Gonna miss you old friend. Love you Man!
