“ I met dear Sharon a few years ago at Freight and Salvage. She took me under her wing and taught me so much. We did lots of vaccination checks together. She was always positive when dealing with patrons. She had a great sense of humor and was a terrific writer. I will miss her very much. Rest in peace dear Sharon. Esther Shaw

“ Sharon was a rare special and beautiful person. She was one of the first volunteers' I worked with signing people in at the front counter (long ago, way before Covid). She taught me well and welcomed me. She was very tough, working as a firefighter in her past life. Every time I spoke with Sharon it was a delight, even when she was feeling under the weather. While she was getting Cancer treatments she was coordinating writing postcards to get out the vote during the last presidential campaign. She was always true to herself, I delighted in seeing her so happy when she went to Bobby MacFarrin shows. Richard, when we met, one of the first things you talked about was Sharon so lovingly. I looked forward to meeting her, The love you felt for each other was so wonderful. I am sorry for your loss. It is a loss to anyone who knew her. I will miss her.
