“ *Stephan,*

*You were an excellent instructor and special person who brought happiness and energy into what could be a difficult academic experience. I saw you were an excellent instructor from afar and only regret that I did not have you as a teacher. But I had the pleasure of meeting you so many years ago. Your kindness and inner goodness was only matched by your energy to teach.*

*Sincerely,*

*Rene Quintana*

“ *Dear Stephen,*

*We met way back in 1978. You have been such a wonderful person. The world has lost a beautiful, kind human being. I have wonderful fond memories of you. May you have peace in Heaven with God.*
