“ Terry will truly be missed. I thank God for crossing paths with him and allowing me to become his brother and friend. I am so very grateful that he was able to spend the last chapter in his life free. He accomplished so much in such a short time. He was a great man and a great thinker. I am going to miss our talks, he would always impart knowledge to me and make me think. With profound love and admiration, Roderick (Blvd/Bully)
