

Ursula Lynette Johnson

August 1, 1966 - May 14, 2022

Ursula Lynn Johnson,

Was born to Ms. Bobbie Jean Johnson and her late father James Robert Flemings. On her father's behalf she was one of six sisters and brothers. Her late sister Tanya and Sean Flemings precedes her. She leaves behind her sister Daphne Flemings-English and her brothers James and Lamont Flemings. On her mother's behalf, she was one of five sisters and brothers. She leaves behind her brothers Aaron, Darell, and Terrence Johnson, and her youngest sister Tanisha Marsh-Johnbaptiste.

Ursula also looked to the support and love of her late grandmother Elizabeth Johnson and O.C. Johnson. She had many friends, mother figures and mentors throughout her life that became family to her. Ursula was well known and well-loved throughout the Bay Area and many people called her Pumpkin or Peaches depending on the time you met her. She attended school in Richmond, California. 'Pumpkin' had many roles in life, but her role was that of a mother.

She leaves behind her three cherished children Nasheena Johnson, Jazmine Gott, and Jamal Johnson. She also leaves behind 4 granddaughters, one grandson and another on the way. She leaves a host of beloved aunts, uncles, nieces, nephews and in-laws.

Pumpkin was always a free spirit, she loved to enjoy life. She was definitely known for having a good time, especially with her friends and loved ones. She lived her life to the fullest and she was unapologetically true to herself. The

community loved her and it was heartbreaking to see her in so much pain in the end. She will be forever loved and remembered for the love and light that she shared with us all. Until we meet again May you rest in peacefully.
