“ *My beautiful, sweet, kind and amazing mother passed away 43 days ago. She was a wonderful mom. It still doesn't feel real, despite doing very difficult things like organizing the funeral etc. I am still analyzing her last two months of her life. I am asking myself what we could have done (the doctors and beloved children) to have changed the outcome. It is so sad for us but she is no longer in pain. My God she was only 77 years young.
Mom we miss you so much.
Rest In Peace

*Dear Mom, yesterday was my birthday. I missed your happy birthday wishes. You were the first person to wish me happy birthday after the passing of our beloved Father. Now all the wishes are not the same anymore.
Thanks for all the good memories.
